Klondike Gold Pays Tribute to Its Late Founder, Richard Hughes

Vancouver, British Columbia, Canada – Klondike Gold Corp. (TSX.V: KG; FRA: LBDP; OTCQB: KDKGF) (“Klondike Gold” or the “Company”) is saddened to learn of the recent passing of Richard Hughes, a legendary prospector credited with significant Canadian and international mineral discoveries over his lengthy career in the mining industry, including the co-discovery of the world-class Hemlo gold deposit in Ontario during the 1980s. Mr. Richard Hughes passed away peacefully in Langford, BC, at the age of 91.

Richard Hughes founded Klondike Gold Corp. in 1978 and served as Chairman and/or Director of the Company until 2013. Richard’s vision for the Company first led him to the famous Klondike goldfields near Dawson, Yukon in 1980. Richard is well-remembered and respected by local placer miners for his generosity and dogged prospecting persistence during his two decades of work there. His contributions to the search for hard-rock gold sources in the Klondike are instrumental in the Company’s current discoveries along Eldorado Creek in areas championed by Richard.

Peter Tallman, Klondike Gold’s President & CEO states; “The Company extends its heartfelt condolences to Richard's family, many friends, and the entire mining community at the passing of a Canadian prospecting legend.”

ABOUT KLONDIKE GOLD CORP.

Klondike Gold is a Vancouver based gold exploration company advancing its 100%-owned Klondike District Gold Project located at Dawson City, Yukon, one of the top mining jurisdictions in the world. The Klondike District Gold Project targets gold associated with district scale orogenic faults along the 55-kilometer length of the famous Klondike Goldfields placer district. Multi-kilometer gold mineralization has been identified at both the Lone Star Zone and Stander Zone, among other targets. The Company has identified a pit constrained Mineral Resource Estimate of 469,000 Indicated and 112,000 Inferred gold ounces¹, a milestone first for the Klondike District. The Company is focused on exploration and development of its 727 square kilometer property accessible by scheduled airline and government-maintained roads located on

¹ *The Mineral Resource Estimate for the Klondike District Property was prepared by Marc Jutras, P.Eng., M.A.Sc., Principal, Ginto Consulting Inc., an independent Qualified Person in accordance with the requirements of NI 43-101. The technical report supporting the Mineral Resource Estimate entitled “NI 43-101 Technical Report on the Klondike District Gold Project, Yukon Territory, Canada” has been filed on SEDAR at www.sedarplus.ca effective November 10, 2022. Refer to news release of December 16, 2022.*

the outskirts of Dawson City, Yukon, within the Tr'ondëk Hwëch'in First Nation traditional territory.

Certain statements contained in this news release constitute “forward-looking statements”. When used in this document, the words “anticipated”, “expect”, “estimated”, “forecast”, “planned”, and similar expressions are intended to identify forward-looking statements or information. These statements are based on current expectations of management, however, they are subject to known and unknown risks, uncertainties and other factors that may cause actual results to differ materially from the forward-looking statements in this news release. Readers are cautioned not to place undue reliance on these statements. Klondike Gold does not undertake any obligation to revise or update any forward-looking statements as a result of new information, future events or otherwise after the date hereof, except as required by securities laws.

Forward-looking statements involve numerous risks and uncertainties and actual results might differ materially from results suggested in any forward-looking statements. These risks and uncertainties include, among other things, market volatility; the state of the financial markets for the Company’s securities; fluctuations in commodity prices and changes in the Company’s business plans. In making the forward looking statements in this news release, the Company has applied several material assumptions that the Company believes are reasonable, including without limitation, that the Company will continue with its stated business objectives and its ability to raise additional capital to proceed. Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. Readers are

cautioned that reliance on such information may not be appropriate for other purposes. The Company does not undertake to update any forward-looking statement, forward-looking information or financial out-look that are incorporated by reference herein, except in accordance with applicable securities laws. The Company seeks safe harbor.
